

Hello Friends of South Football, and South High Sports in General:

As some of you may already know, South Football was able to get a \$500,000 turf funding request in on this year's Capital Budget, which passed through the legislature and now awaits Governor Palin's decision (see HCS CSSB221[FIN]). We urge everyone, at your earliest opportunity the beginning of this week, to write a letter of support in your own heartfelt words to Governor Palin, Karen Rehfeld, and the legislators listed below and explain to them why the turf project is important to our school, our students, and you and your student athlete personally.

ALL THE INFORMATION YOU NEED IS LISTED BELOW, SO PLEASE READ THIS ENTIRE MESSAGE! You can address your letter to Governor Palin and cross-copy all the others listed below. We have provided all fax numbers below for your convenience. You can also (and please do!) call the public opinion hotline number below to leave a personal voice message in support of South turf. We cannot stress enough how your personal letters and messages are CRITICAL to Governor Palin's approval of South Football's portion of the Capital Budget request...please do not delay faxing/contacting her and the others below!! They NEED to know how important this is to all of us, and our kids! (Feel free to forward this message to others in our community who you believe would be willing to deluge Governor Palin and our legislatures with messages of support...e.g., soccer families, track & field families, and neighbors who have pre-high school age children who will be attending South!)

Thank you,

John Lewis,  
Head Coach
