AND PLAYER FUNDRAISING OPPORTUNITIES**

Visit Us At: www.sawolverines.com

How much do players have to raise this year? JV and Varsity players are asked to raise \$400 total, with the first \$200 applied to starter packs at registration. C Team players are asked to raise \$350 total, with the first \$150 applied to starter packs at registration. The balance is credited to the general team account. All players are encouraged to continue fundraising as all amounts raised after the first \$400 (JV/Varsity) or \$350 (C team) are applied to individual player accounts and can be used by players for cost of camps, clinics, merchandise, or anything related to the South Football program.
